Its been twelve years, for some
even more,
Since we first walked through
that door,
Carrying rulers, pencils, and books,
meeting friends and some others' looks,
Slowly but surely the years have
gone past.
And suddenly it seems they went by
too fast.

After twelve years, for some
even more,
Then we last walk out through
that door,

The empty lockers, the desks,
and the halls,
Taking one last look
at the walls,
Slowly saying goodbye to those
you've passed,
And precious moments forever
to last.

- Kathy Donahue

Mary Lou Jadwin
Principal

To the class of 1980 goes all my best wishes for success. You have succeeded in your endeavors to learn the ways of your trade, and I sincerely hope that you succeed to an even greater degree in meeting the many life situations that will soon be upon you.

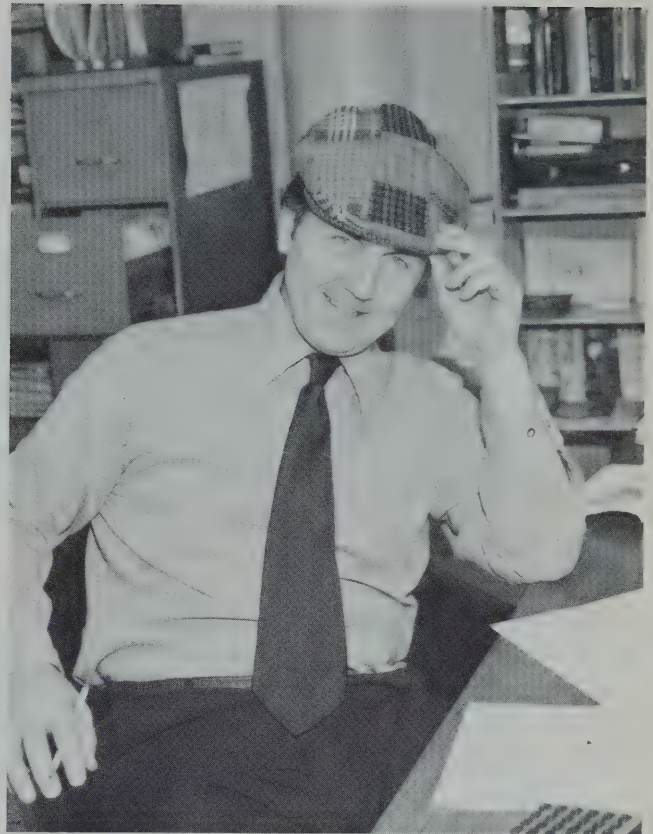

May I encourage you to use the knowledge you have gained while at North Shore, to grow in every way possible. Build upon the many skills that you presently possess, gain spirit and enthusiasm from every life and work experience you encounter, and always be conscientious and attentive to the needs of your fellow man.

The enjoyment of knowing you and working with you during the past few years is one I will truly treasure.
